

Dear Society Members

My aim for this year's show is to continue the trend of more entries from the largest number of members and of course a hall buzzing with interested and happy allotmenteers and gardeners. The larger church hall worked well last year and I'd love to see it overflowing with your entries. There is also plenty of space to bring along your family and friends, of the non-furry kind, to see the spectacle and to enjoy the delicious refreshments on offer.

Welcome to our new members; 13 full and 16 associate have joined since last summer's show. You may not be aware but there is a Trophy for the most impressive progress in a plot holder's first year. From all the brilliant work going on I can already see there are several contenders for this.

Please note that the novice cup is not just for the new society members but for anyone who hasn't won a 1st Prize or Trophy in any class at any previous show held by our society.

Don't miss out by thinking everyone's produce will be better than yours. Let's not hear "I should have entered because mine are better than those" this year. There are always some classes that don't have many entries which puts anyone who does go to the effort in with a chance.

All that I ask is that everyone complies with the small number of rules and to make sure all their entries are labelled and in the right place. If you have any queries regarding anything to do with the show, please get in touch and for those wondering what a well-dressed onion wears there is some great advice on the internet and some easy-to-follow YouTube videos.

Looking forward to recording your entries as they come in.

Best Regards
Jane Tull
F&D A&GS Show Secretary
showfalmouthallotments@outlook.com

Entering Your Produce for the 2025 Show

Entry forms will be available from A site shed or can be downloaded from the Society's website and Facebook page. Forms and fees can be posted into the A site shed post box or handed in at the Society's Clubhouse on Thursday 31 July between 5.30 and 7.00pm.

Please note that all entry forms and fees must be received from single named exhibitors before 7pm on Thursday 31 July 2025. NB No entries will be allowed on the day.

<u>Timings for the Day - Saturday 2 August 2025</u>

- 08.30 Hall will open for the staging of exhibits.
- 10.00 Hall will be closed and judging will begin
- 14.00 Hall opens to society members and members of the public
- 15.00 Presentation of Trophies and Prizes
- 15.20 Raffle

Some advice on staging your exhibits and some judging criteria is given towards the end of this schedule.

NB The Society cannot be held responsible for any loss or damage to exhibitors' property, or any accident sustained by exhibitors or members of the public at the show.

RULES & REGULATIONS

- 1. All classes are confined to society members who are Allotment Holders, Associate or Garden Members of the society.
- 2. All produce must be grown by members on their own plots or in their own gardens. The Committee will have the right to inspect plots or gardens.
- 3. Only one entry per member is allowed for each class (unless otherwise stated)
- **4.** A Novice is defined as a society member who has not won a 1st Prize or Trophy in any class in any previous show held by our society.
- **5.** Exhibitors must use the vases supplied for the display of cut flowers.
- **6.** Any late, misplaced, or unlabelled entries will be disqualified.
- 7. All trophies are perpetual and cannot be won outright and must be returned to the Show Secretary before the next show. Trophies will be inscribed with the winner's name and the year (paid for by the society using our designated engraver). Trophies must be cleaned and polished before return.
- **8.** Each class will be awarded a first, second and third prize if there are sufficient entries. The judge may also award a 'highly commended' if thought appropriate.
- **9.** The judges' decision will be final.
- 10. Any protest must be made in writing before 14.30 on the day of the show.
- **11.**Points will be awarded for each prize as follows: 1st. Prize 5 points, 2nd. Prize 3 points, 3rd Prize 2 points.
- **12.**Where a trophy awarded is for most points over several classes, should there be an equal highest score, the judge will decide the winner based upon the consistency of quality across those classes.
- 13. No entries can be removed before 15:15 on the afternoon of the show.
- 14. Cash prizes may be collected between 14:00 and 14.45pm on show day.

TROPHIES and PRIZES

Cash prizes are awarded for each class: 1st = 50p; 2nd = 30p; 3rd = 20p. Entrants can indicate on the entry form whether they would like their winnings to be donated to iSight Cornwall, to be retained by the society, or be paid out in cash.

Plot Trophies

Entry is automatic for all Allotment Holders.

The Julian's Cup – for a new member with the most Improved Plot in their first year.

Plot Holder of the Year – for the most improved allotment plot for members not in their first year

PH2	Still Life	
PH3	Wildlife	
PH4	Beauty on the Plot	

Photography Youth Section

Open to anyone 17 years old and under.

Entry Fee: 20p (One Entry per Exhibitor per Class). One prize to be won.

		Entered (X)
YPH1	A Cornish Landscape	
YPH2	Still Life	
YPH3	Wildlife	
YPH4	Beauty on the Plot	

Advice and Judging Criteria

As far as vegetables and fruit are concerned, general presentation is important with particular attention given to uniformity of colour, size and shape. Quality rather than size, trueness to type, not too ripe, not too young, and unblemished specimens, which in the end means 'which you would want to eat'.

Vegetables

Root vegetables should be washed and clean of all soil, roots intact and tops trimmed. Podded vegetables should have part of the stem attached.

Potatoes

V04 Pure white varieties should be entered in this class.

V05 Potatoes with any colour- eg coloured eyes or with splashes of colour or those with full colour

Onions and Shallots

Dressed - Trim the roots to a firm root plate. Trim the tops and neatly fold down and tie with raffia, neutral shade cotton etc. Display the required number of onions either on rings or a dish or sand.

As Grown – as lifted with roots and stems but cleaned of any earth.

Tomatoes (V15-V17). Normal round tomatoes of all colours should be entered in class V15. Cherry tomatoes of all colours and shapes should be in V16. Beefsteak, plum and heritage varieties should be entered in class V17.

Cherry Tomatoes (V16) entries to be staged on plates and fine grade vermiculite provided.

Fruit

Berries (F1, F2, F4, F5) - black/logan/tay berries large and ripe, free from blemishes with fresh calyces. Gooseberries – large, unblemished, good colour, stalks on. Blueberries – good colour and bloom, free from blemishes.

Currants (F3) - Select 5 large strings with plenty of currants which should be large, ripe and uniform on fresh stalks. Brilliant colours. Display on a plate; own foliage may be used for decoration.

Mixed Berries/Currants (F8) – At <u>least four different kinds</u> of berries and/or currants attractively presented on a plate of approximately 7" diameter.

Raspberries (F6) - Select 10 large ripe fruits of good colour with stalks. Stalks and calyces should look green and fresh and all point one way when staged on a small plate.

Strawberries (F7) - Select 6 large ripe fruits of good colour with stalks. Stalks and calyces should look green and fresh and all point one way when staged on a small plate.

Any other fruit for which there is no class (F9) - Only 1 fruit should normally be selected but in the case of small fruits up to 6 may be displayed.

Flowers

Cut flowers should be fresh and unfaded with petals complete and unmarked with a uniformity of colour, size and shape. The centres of the blooms should be vibrant with the stamens unfaded. For pot plants, consideration is given to quality, size, condition, and presentation.

Prepping and staging facilities to be available on the day and a selection of vases provided for exhibitors.

Dahlia types – information from National Dahlia Society website

Pompon Dahlias - have fully double spherical blooms of miniature size, with florets largely involute along their length (longitudinal axis).

Cactus Dahlias - have fully double blooms, the ray florets are usually pointed, the majority narrow and revolute for 65% or more of their length (longitudinal axis) and either straight or incurving.

Decorative Dahlias - have fully double blooms showing no disc. The ray florets are generally broad and flat and may be involute for no more than 75% of their length (longitudinal axis) or slightly twisted, and usually bluntly pointed.

Pot plants

All pot plants must have been grown and in the care of the owner/exhibitor for at least three months prior to the show.

Domestic

Victoria Sandwich (D7) – made with 4 eggs; jam-filled, dredged with sugar, baked in two tins. **Vegetable Cake (D9)** – for example carrot cake, courgette cake etc. Recipe to be included.

Photography

Entries can be delivered to the Hall between 8.30 and 10.00 or to the Society's Clubhouse on Thursday the 25th July between 5.30 and 7.00pm

One entry per class. The space allowed for each photograph is A4 including mounts. No frames are allowed. All photographs must be the entrants own work, have their name and class entered on the reverse, and not previously have been entered into the Falmouth & District Allotments and Gardens Society Annual Show. A caption on the front is optional.
